YORK

INDUSTRIAL REPAIR SOLUTIONS THAT DECREASE YOUR DOWNTIME

New Motors and Products are our business too!

We are a competitive source for new industrial motors, pumps, motor controls and variable frequency drives (VFD), metric motors, gearboxes (reducers) and other electrical/mechanical components. If you need a sub-fractional motor or a large above NEMA AC 500 frame and up, York can secure one for you. We are an authorized dealer for:

Electric Motors:
